Note: Booth rental fee does NOT include porter service (i.e., emptying of trash cans) or vacuuming in your booth.

Booth Flooring

Booths and exhibit areas are carpeted with the existing hotel carpet. To enhance the appearance of your booth, you may rent carpet through Freeman.

Exhibit Design Regulations

Please review these regulations. This information is provided to assist you in planning your booth construction to make more effective use of your space without infringing on the rights of your neighbors. The ATD Exhibit Design Regulations are incorporated into the Contract Terms and Conditions and the Exhibit Rules and Regulations of your Exhibit Space Application/Contract. ATD strictly enforces these regulations for the benefit of all exhibiting companies.

First Aid

First aid, located in the back of the Golden Gate Ballroom of the San Francisco Marriott Marquis, will be available during move-in, show days and move-out.

Food and Beverage

Exhibitors wanting to serve food and beverages in their booths should contact James Peggins at the San Francisco Marriott Marquis at 415.442.6060. **Please note:** Peanuts and Popcorn are not permitted on the exhibit floor.

Floor Plans

All exhibiting companies are required to submit booth drawings/renderings of their booth design, along with a completed Exhibit Booth Floor Plan Reporting Form to Show Management **by November 16, 2018, regardless of booth size.** This booth drawing/rendering must show all dimensions (height, width, etc.) and location of all structures, equipment, merchandise, vehicles or any other product which will be placed in your booth. This form is located under "ATD Information & Forms."

Official Contractor

The Official Contractor provides all show services other than supervision. The exhibitor shall provide only the material and equipment that is to be used in the exhibit space. All other terms of show services are to be provided only by the Official Contractor. Exceptions to the foregoing will be granted only in cases where permission has been requested in writing by the exhibitor and received by the ATD Expo Division by **December 7, 2018.** An exception will be granted only if it will not interfere with or prejudice the orderly set-up, commitments and obligations assumed by ATD in any contract with the Official Contractor, or in its agreement with the lessor of the exposition space. (See policies on "Exhibitor Appointed Contractor" under "Exhibitor Forms") To make it possible to set up the exposition in the limited time available and to avoid confusion and congestion, the Official Contractor must control all in-bound and out-bound traffic in the loading and unloading areas, in the aisles, or in other freight patterns. Exceptions will be made for small items that can be hand carried by individuals.

The Official Contractor for the ATD Show 2019 is Freeman. ATD Show Management also has designated certain other companies as "official" service contractors and strongly encourages exhibitors to use these contractors in lieu of non-official suppliers. ATD does not receive any monetary remuneration from designated official contractors, nor does ATD receive any portion of the fees paid by exhibitors to these official contractors. Official contractors sometimes provide necessary show-related services to ATD for free or at discounted rates. Support from official contractors helps ATD slow rate increases for various services offered to exhibitors and attendees. By using the official contractors, you help support ATD, meeting attendees, and your own company.

Official Contractors

The National Automobile Dealers Association has contracted with companies (herein referred to as "Official Contractors") to provide various services to the exhibitors. Forms for obtaining the necessary services from each Official Contractor can be found under "Exhibitor Forms." All services not ordered in advance must be procured through the Exhibitor Service Center, located in the Gateway Ballroom Registration Desk of the San Francisco Marriott Marquis.

While all Official Contractors have some extra equipment available on-site, they cannot anticipate all exhibitors' needs. **PLEASE ORDER YOUR SERVICES IN ADVANCE! On-site orders for some services will cost your company additional money. All contractors deliver advance orders first; on-site orders are delivered as time and availability of equipment permit.**
